

STATE OF CALIFORNIA
STATE WATER RESOURCES CONTROL BOARD
DIVISION OF WATER RIGHTS

Certificate for Stockpond Water Right

CERTIFICATE NO.: 1091

PRIORITY OF RIGHT: 1944

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,

ESTATE OF LAURA P SILVA
12360 MARSH CREEK ROAD, CLAYTON, CALIF 94517

has filed a claim of water right for a stockpond constructed prior to January 1, 1969, and has applied to the State Water Resources Control Board for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the Board that the stockpond described herein had a capacity of 5.43 acre-feet on January 1, 1975; that the stockpond was constructed in 1944 that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

It therefore appears and the State Water Resources Control Board certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code Section 1226.1, with a priority of 1944, to collect and hold in storage 5.43 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:

STOCKPOND ON LONG CANYON TRIBUTARY TO MARSH CREEK
BEING WITHIN THE NE 1/4 OF SW 1/4 PROJ SEC 27 T1N R1E MDB&M
IN CONTRA COSTA COUNTY.

The water right described herein is subject to other stockpond water rights on which certificates have been issued by the Board with an earlier priority, to appropriative water rights with an earlier priority initiated prior to December 19, 1914, to water right permits or licenses issued prior to January 1, 1975, and to riparian rights.

DATED: **FEBRUARY 13 1980**

STATE WATER RESOURCES CONTROL BOARD

Chief, Division of Water Rights
